Photograph Submission Guidelines

Photos with LANDSCAPE orientation (i.e. horizontal), featuring climbers at ONTARIO crags will be considered. Submissions featuring a variety of climbing (ICE, SPORT, TRAD and BOULDERING) at a variety of crags will be preferred.

Photographers will be asked to provide a high-res version of their image if selected for the 2015 calendar. The photograph must be available in one of the following formats: JPG, GIF, PNG, or BMP, with long edge 3000px and 300dpi. Photographs may be cropped for best fit.

Entrants must obtain permission from any climbers featured in the photograph or, if minors are photographed, written permission from their parent or legal guardian.

All content submitted by entrants may be posted to public viewing galleries on the OAC website (or on Facebook) including the photograph and name of the individual who submitted the photograph. By entering, each entrant acknowledges and agrees that submitting a photograph online brings your submission within the public view and the OAC will not be held liable for any copying, re-posting, unauthorized or unlawful use of the submitted photograph that may result. The entrant warrants that the submission is owned by the entrant and does not infringe on anyone's trademark, copyright or other intellectual property.

All photograph submissions will be reviewed by an OAC volunteer to ensure that the submission is suitable for publication (i.e. must not be offensive, obscene or indecent, depict violence or discriminatory behavior).
